## Summer Wong Bird Tour

In this 2 weeks tour, we went to 6 birding area in Sichuan : Chengdu, Longcanggou, Balangshan, Mengbisha, Ruogai, Chuanzhusi.

**Highlights** of this tour: **Golden Pheasant, Grey-hooded Parrotbill, Three-toed Parrotbill, Golden-fronted Fulvetta, Temminck's Tragopan, Chinese Blue Flycatcher, Firethroat, Barred Laughingthrush, Red-fronted Rosefinch, Grandala, White-tailed Rubythroat, Chinese Monal, Tibetan Snowcock, Snow Partridge, Chestnut-throated Monal Partridge, White-browed Tit Warbler, Przevalski's Rosefinch, Sukatshev's Laughingthrush, Przevalski's Nuthatch, Crested Tit Warbler, Sichuan Wood Owl, Wolf.**

Day 1, ( 3 May )

In the morning we went to visit Chengdu Giant Panda Base and also did some birding there, I got the news from a local birder that Firethroat just arrived at the Sichuan University this morning ! After lunch we went to Sichuan University and got great view of the **Firethroat** , a adult male and a juvenile male alone with a "great" view of the bird photographing team! Got a pair of **Chinese Grosbeak** nearby a nice pond colored by many lotus flowers.

In the panda base we got very close view of a male **Golden Pheasant** after we heard it's calling, a few groups of **Chinese Bamboo Partridge** also heard in there, but only one was spotted, very sensitive.

Other lovely birds of this day : **Rufous-faced Warbler, Rufous-capped Babbler, Streak-breasted Scimitar Babbler, White-browed Laughingthrush, Chinese Bulbul, Red-billed Leiothrix, Chinese Blackbird, Grey-capped Greenfinch, Rufous-gorgeted Flycatcher** etc.

## Summer Wong Bird Tour

Day 2-4 (4, 5, 6 May )

Heading from Chengdu to Longcanggou, on the way got **Ashy-throated Parrotbill**, **Brown-breasted Bulbul**, Rufous-capped Babbler, **Grey-capped Greenfinch**. Spent a afternoon, 2 full days and a morning in Loncanggou before leave to the next destination. The first afternoon there we got a **Golden-fronted Fulvetta** showed on a place where I had seen this species before, a male **Temminck's Tragopan** hiding well in the roadside grass 10 meters away from our van, then flew down the slope into the trees... **Three-toed Parrotbill**, **Great Parrotbill**, **Golden Parrotbill** were easily found and all had great view ! But the **Grey-hooded Parrotbill** took us long time to find it, so it's great showing in the end made us so excited !! A pair of **Brown Parrotbill** were spotted in distance. The **Chinese Blue Flycatcher** not even heard in the usual place until we went to a different valley, heard many, but hard to get a glimpse, until this one showed us well in the bamboo. **Chestnut-headed Tesia** was very good at hiding, moving so quickly in the bushes, great view in the bins, but hard to get good photo, too quick! **Sichuan Bush Warbler** not in usual place but it's distinctive call made it easily to be found. **Fire-capped Tit** and **Brown Bullfinch** were found on the same tree. A single **Spotted Laughingthrush** was found in the Bamboo singing loudly, **Emei Shan Liocichla** was very hiding as usual, but had been spotted on the same tree as usual.

Warblers been seen there : **Brownish-flanked Bush Warbler**, **Yellowish-bellied Bush Warbler**, **Aberrant Bush Warbler**, **Bianchi's Warbler**, **Marten's Warbler**, **Kloss's Leaf Warbler**, **Claudia's Warbler**, **Emei Leaf Warbler**, **Sichuan Leaf Warbler**, **Buff-barred Warbler**, **Large-billed Leaf Warbler**, **Buff-throated Warbler**, **Ashy-throated Warbler**, **Chestnut-crowned Warbler**.

**Chinese Blue Flycatcher & Golden-fronted Fulvetta**

**Golden Parrotbill & Great Parrotbill**

**Three-toed Parrotbill & Grey-hooded Parrotbill**

Day 5-7 (7, 8, 9 May)

After last morning in Longcanggou, then we headed to Balangshan. In the first morning, 4 male **Chinese Monal** were spotted in 3 different times, all in far distance, but great view in telescope, total number of 14 **Snow Partridges** were seen very well, and one of it were so close to us, just 5 meters away! 2 **Tibetan Snowcocks** were close too, got bird view of them flew down the mountain into the valley. 6 **White-eared Pheasants** were on the slope in far distance great view in the telescope too. **Chestnut-throated Monal Partridge**, and a male **Temminck's Tragopan** gave

### Summer Wong Bird Tour

us good view too. **Red-fronted Rosefinches** took us a bit of hard working to get the first view but later it gave us the closest view, feeding in the snow 2 meters away from us, they were too hungry ! 2 male **White-tailed Rubythroat** and 1 female gave us great view too, **Grandala** both male and female feeding on the grass. A male **Firethroat** gave us a more natural view there than in Chengdu, singing excitedly, **Barred Laughingthrush** gave us a long time and very close view! Sichuan Tit, Hume's Leaf Warbler, Alpine Leaf Warbler, **Giant Laughingthrush** also showed very well in the morning, singing excitedly. **Chinese Babax** gave us a distance view. A pair of **Sichuan Forest Thrush** feeding on the roadside in the last morning before we left to Maerkang.

**Snow Partridge**

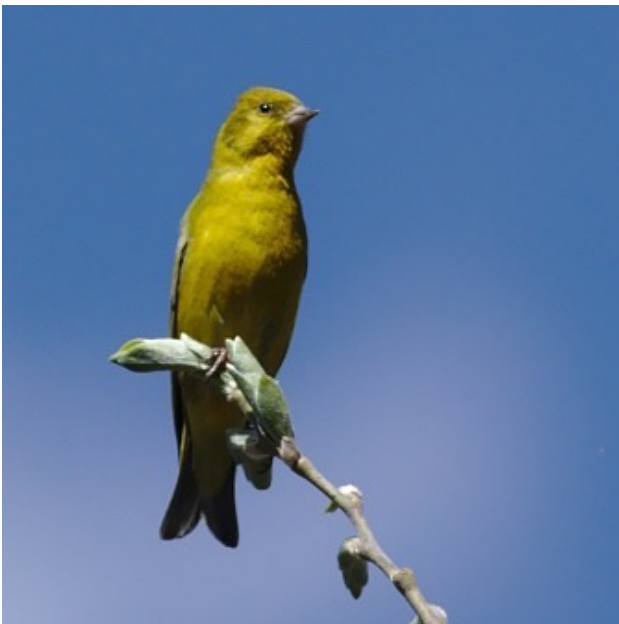

## Summer Wong Bird Tour

Day 8-9 ( 10, 11 May )

On the way to Maerkang we went to an abandoned park, there we got great view of a male **Long-tailed Rosefinch**, **2 Rufous-bellied Woodpeckers**, and our first and best view of **Hog Badger** running through the forest by the roadside and cross the concrete road in front of us. **3 Chestnut-throated Monal Partridge** came together to a dead tree, we hid behind our car got great view and photos, video of them. In the morning drove on the way up got **3 Blood Pheasants** crossing the road. On the top area got **Chinese Fulvetta**, on the middle of the mountain got **White-winged Grosbeak**, **Collared Grosbeak**, a pair of **Przevalski's Nuthatch**, **4 Tibetan Siskins**.

**Blood Pheasant & Chestnut-throated Partridge**

**Tibetan Siskin & Przevalski's Nuthatch © Tom Tarrant**

## Summer Wong Bird Tour

Day 10 ( 12 May )

On the way from Maerkang to Ruorgai got **White-browed Tit Warbler** where we also saw more than 20 **Oriental Honey Buzzard** circling on the sky, **Azure-winged Magpie**, **Daurian Jackdaw** and our first view of **Saker Falcon**, 2 of them, one was spotted flying, the other was spotted perched on a electric post, a male **Przevalski's Rosefinch** was showing very closely just a few minutes after we arrived at the usual spot, **White-browed Tit** took us a while to find, **Black-necked Cranes** were feeding not far away from the roadside, quite easy, **White-rumped Snowfinch**, **Rufous-necked Snowfinch**, **Horned Lark**, **Tibetan Lark** were spotted on the grass land, and **Himalayan Marmot** can be frequently seen on the grass nearby the snowfinches.

**White-browed Tit Warbler ( male ) & Przevalski's Rosefinch ( male )**

**Black-necked Crane, Ruddy Shelduck, Bar-headed Goose**

## Summer Wong Bird Tour

Day 11-12 ( 13, 14 May )

In Baxi forest, we got a pair of **Blue-eared Pheasant** in distance, but at the beginning we were on the wrong angle, didn't see them until we drove a little bit further we find another angle to get a broader view, but in far distance, can only identifying them through the telescope, while we were looking for Blue-eared Pheasant, we heard a “dog” calling, Tom said he got a glimpse of a “dog”, but later I spot some movement in the pine forest, I put my bins on it “ **Wolf !!!**”, and not only one, at least two walking through the forest, and when I waiting them to cross a open slope covered by snow, 3 Wolves passing by the slope one by one ! We got 3 Wolves in the pine forest !!! So excited ! In the afternoon to the flower lake area, we got a pair of **Tibetan Fox**, walking across the grass land. A male **Sika Deer** was spotted on our first trying to find the Blue-eared Pheasant. A **Mountain Weasel** was spotted beside a trash bin at the entrance of the flower lake park.

A female **Three-banded Rosefinch** was spotted in the bushes, and heard at least 4 **Sukatchev's Laughingthrushes** singing, but they are very sensitive, hard to spot them, took us some time to get good view of a pair eventually, **Plain Laughingthrush** easily to be seen there, a pair of **Crested Tit Warbler** were spotted when we were looking for Chinese Leaf Warbler, and **Maroon-backed Accentor** came to join the birding wave too. Przevalski's Nuthatch singing and feeding on the up area of the pine trees, **Black Woodpecker** was quite active, feeding and calling through the pine trees.

On the way to flower lake area, we got many water birds and Saker Falcon, Black-necked Crane again. In the flower lake we saw **Whiskered Tern**, **White-winged Tern**, **Dunlin**, **Temminck's Stint**, **Mongolian Gull**, **Brown-headed Gull**, **Black Stork**, **Red-crested Pochard**, **Ferruginous Pochard**, **Bar-headed Goose** etc.

**Sukatchev's Laughingthrush & Crested Tit Warbler ( male )**

Black-necked Crane & Saker Falcon

### Summer Wong Bird Tour

Day 13-14 ( 15, 16 May )

On the way from Ruorgai to Chuanzhusi we got great view of **Siberian Rubythroat**, in Chuanzhusi area we got our second view of Hog Badger, a mother Hog Badger with her baby, so nice to see the mother carrying her baby in her mouth. In Gonggangling Forest we got the best view of **Sichuan Wood Owl**, and also a pair of **Chinese Grouse** in the pine forest, very close, scared, running away in front of us very fast, the male one stopped upon a bush for a while, give us a back view. Saw a male Blood Pheasant, 3 Blue-eared Pheasants, on the back to Chengdu when we reaching Chengdu city, we saw a male Common Pheasant trying to have a “suicide ”on the express way !
